NEW! **Wrapround care for Nursery.**

From September we will be offering wraparound care in Nursery. This is in conjunction with the fabulous High Flyers Team. For any further details please contact the school office or Alison Ighani.

Dear Parents and Carers,

The weekend had a lovely feel about it in the village (despite a slightly large shower) and everyone worked so hard towards the stalls and events that took place as part of the Jubilee celebrations. Thank you ever so much to all those involved to help and also attend, most notably to Lizzie Williams for the huge amount of preparation that took place and all her hard work on the day. It was great that staff, PTFA and governors alike came together not only for the Saturday but the service on Sunday too. There was some lovely singing shared as part of the Civic service and the art work looks wonderful up in church – I hope many of you have been to see it – winners of the jubilee art competition are announced overleaf.

The Rainbow Artwork was put together in half term by Mrs Battle and it looks incredible; massive thanks to her for this, – it does still need some finishing touches and when finished I will ensure this can be shared with you all.

On Monday as part of the staff INSET day, we looked at the teaching of writing some more as well as reinvigorated our work on Mental Health and wellbeing. We have launched the Zones of Regulation across the school, and this is something we will continue to develop moving forwards. Hopefully children may have talked about this with you, but I have today attached an information flyer for parents about the zones, what you can do at home and a few additional links and ideas.

Also, on Monday the playground lines were done, and this looks so bright and colourful with the children loving them too – thanks must go to the PTFA for their fundraising to enable this to happen.

In Worship this week we looked at Pentecost and the Holy Spirit as well as Anne Frank. This term we shall be looking at key inspirational people both from in the Bible and wider society.

Next week it is Healthy Eating Week, and we shall be exploring this as a school in different ways. Attached also is a flyer about what each day focusses on – look out for different ideas being shared next week with you!

Unfortunately, the author Caroline Lawrence was poorly on Tuesday so Year 3 & 4 will participate in her workshop on Monday.

A revised set of dates was emailed this week and a paper copy should be with you today.

Have a lovely weekend, (may see you at the Park Run) take care

Mrs Smith, Headteacher

NO NUT PRODUCTS IN SCHOOL

Please could you ensure that no items that contain nuts are sent into school due to the fact we have children with serious nut allergies – this includes peanut butter, nuts as a snack and some breads may contain nuts too.

#WakeUpWednesday

This is an information page produced by National Online Safety about key reminders for parents relating to online safety.

This weeks theme: **Virtual Reality**

Staff Update - further to previous news shared about staff leaving we will also be saying goodbye to Mrs Hughes, Mrs Hoetmer and Mrs Battle at the end of the academic year. We have however been successful in recruiting staff to join us which is, an extremely fortunate position to be in, as many schools are not. We will be welcoming Mrs White and Ms Martin as well as our own Miss Holland moving to the teaching team in September. Mrs Williams will also be joining our teaching team on a part time basis. Further information about who is where etc will be shared later in the term.
