### **NEW! Wraparound care for Nursery.**

From September we  
will be offering  
wraparound care in  
Nursery.

This is in conjunction  
with the fabulous High  
Flyers Team.

For any further details  
please contact the  
school office or Alison  
Ighani.

Dear Parents and Carers,

So, whilst this week has been full of staff and children's Covid absences we have also had some fantastic events still continuing. The absences have been high and we are still just managing to keep the school going and open at this time but with now nearly half the teachers off it is a stretch! We are also contending with other absences from both children and staff – please do remain vigilant of symptoms.

Science Week kicked off with Miss Arthur leading an assembly on this year's theme - growth - and all classes have taken part in live sessions, had speakers and lots of experiments and investigations. On Monday children will share as part of our assembly the work they did.

This week the Eat Them to Defeat Them vegetable was Broccoli which has seemed extremely popular – an activity for home has been sent and next week we have tomatoes! Sports Council have set an interesting challenge for children to complete - design their own vegetables- this was shared in assembly today and a flier also gone home.

On Monday night Year 3/4 staff led by Mrs MacLean shared the Youlbury experience and what to expect from the one night residential in May. If you were unable to join us the PowerPoint can be found on the parent's tab of the website and a letter has gone home today. On Tuesday the third team visited Warriner for the Sportshall athletics competition – again some superb teamwork leading to an overall win for the team! Thank you to Miss Arthur and Ms Sambrook for attending.

Reverend Liz joined us again this week and is sharing with the children the lead up to Easter. We also had our picture news question which is about what does it take to be a brave leader? This is referencing the leader of Ukraine- please see the Take Home sheet attached for a family discussion too. Today for Comic Relief everyone looked wonderful in their bright colours and we had the most fun in a big game of musical bumps as part of a Guinness World Record attempt. We had a reporter here from Radio Oxford feeding back live at times what was happening. Do search for it on BBC sounds – we were on the waves from 9.30am!

We said goodbye yesterday to Mrs Sykes who has left to start a new adventure as a full time HLTA in a local school. All the children joined us for an assembly to share some memories and present gifts – I am sure you all join me in wishing her the best of luck as she embarks on this new journey.

*Have a lovely weekend, take care*

*Mrs Smith, Headteacher*

**NO NUT PRODUCTS IN  
SCHOOL** Please could you  
ensure that no items that  
contain nuts are sent into  
school due to the fact we  
have children with serious  
nut allergies – this includes  
peanut butter, nuts as a  
snack and some breads  
may contain nuts too.

### **#Wakeupwednesday**

This is an information  
page produced by  
National Online Safety  
about key reminders for  
parents relating to online  
safety.

**This weeks theme:  
Brighten someone's  
day**

**Ukraine Crisis** We have been having some brief  
discussion in school surrounding this current affairs  
story however we do appreciate that children may  
be needing further reassurance or wanting further  
details. These links may help:  
<https://www.savethechildren.org/us/charity-stories/how-to-explain-conflict-ukraine-to-children>  
<https://www.childnet.com/blog/supporting-your-child-with-upsetting-content/>

**Maternity cover Lunchtime Supervisor - Starting  
Monday 14<sup>th</sup> March 2022** We are looking for a Lunchtime  
Supervisor whilst Mrs Avery takes her maternity leave. If  
you are interested in this post of 8.75 hours a week then  
please do contact the office.

**Sports Council – design your own Vegetable  
Competition.** If you could create a vegetable what  
would it be like? It might be a mixture of your  
favourite vegetables. It might have the crunchiness  
of a carrot with the sweetness of a pepper and be  
juicy like a tomato. See flyer for more details!

### Growth Mindset Certificates:

<b>Penguins</b>	Bob T for persevering and enjoying forest school even though a little unsure to start with. Zoe F for being a very kind friend to other children in our classroom. Sophie G for super imagination in science lab role play area.
<b>Puffins</b>	Emma S for really applying herself to our morning writing tasks Olivia R for writing a beautiful prayer to share with the class Eliza B for beautiful behaviour and trying out lots of different activities
<b>Flamingos</b>	Lexie S for being a superb help to new children who joined the class this week and for super hard work across all subjects Joshua T for trying his best this week and being an Earth dragon with both his poetry and fractions work.
<b>Peacocks</b>	Willow T for great improvements in her confidence with reading, using her phonics well. Clemmie H taking on board feedback and making excellent improvements to her writing.
<b>Woodpeckers</b>	Callum B for fantastic focus and hard work in all his learning showing the qualities of all the dragons! Flo H for being inspired in her poem writing, creating a great poem using her sense.
<b>Hummingbirds</b>	Arthur R for persevering while designing and constructing buildings for our town. Jessica D for designing an innovative roof for her building in our town. Hummingbirds for embracing the engineering process this week when encountering problems and developing solutions.
<b>Parrots</b>	Oscar OH for working really hard on his phonics. He is always willing to have a go and is putting what he has learnt into his independent reading. Ashton L for having a super attitude to his maths homework and having a really positive to his maths being keen to understand what he is doing.
<b>Toucans</b>	Alfie J for showing a passion for our engineering project during British Science week and contributing excellent structures to Toucan Town Leo B for showing his determination and contributing to class discussions more regularly
<b>Heron</b>	Lilia R for being really inspired with our learning in Science week and asking great questions to our virtual visitors. Lilly H for representing our school well at athletics, showing great determination and being a lovely team member.
<b>Kingfishers</b>	Lauren W for a wonderful descriptive piece of work on how the Egyptians worked by the Nile Seth P for working really hard on Capacity in maths this week
<b>House Points</b>	<b>Birch: 55   Oak: 91   Maple: 78   Mulberry: 93</b>
