Dear Parents and Carers,

There was a great team of families, and staff at the **Park Run** on Saturday morning – it was lovely to see so many involved in so many different ways – well done and thank you to you all. Ms Sambrook wrote a fabulous piece on it and Jude W led the runners superbly with his opening talk. Wonder how many of you will be running tomorrow!

This week it has been **Healthy Eating Week** and each day we have spoken to the children about a different aspect of this. On Monday the importance of fibre was discussed and ways to include this more in our diet, On Tuesday children were reminded about the value of fruit and vegetables and on Wednesday they explored different proteins and took part in a pulses quiz! Yesterday Ms Sambrook and Mr Pemble shared some overall key messages with a particular focus on hydration. Today it is about food waste and thinking carefully about portion size. **Did You Know...?** The UK throws away around 9.5 million tonnes of food waste every year, despite 8.4 million people in the UK living in food poverty. I have attached some ideas you may wish to explore at home further on these areas.

Year 1 had a fabulous time at the **KS1 Multi skills** event at Warriner this week and not only learnt some new skills but met lots of other children and had some great fun. Staff who attended were very proud of them and some children received some School Games value certificates for showing passion and determination.

The PTFA this week ran a very popular **Father's Day shop** – hopefully all those in receipt of the gifts on Sunday will enjoy the present! Thank you to those who gave their time to run this.

You may have seen lots of jigsaw pieces being prepared on the walls – this is as part of an **Art week** we will be running in the week beginning 27th June. Children will have three different tasks to complete – they will each get a jigsaw piece to design and paint on; children are going to create a stained-glass window of mosaic squares on the hall windows and each child will also have the opportunity to paint on canvas. This will then be available to buy at £2 a canvas so you can have your child's artwork displayed proudly somewhere! There may be other art activities that teachers plan too but hopefully this will be a good opportunity for children to demonstrate their creative flair! Thanks goes to Mrs Battle in organising this but also Mrs Bellinger for all the work in preparing this for us as well as working with us in Art week.

At this time of year we like to reflect on the year gone and also think how we can move forward with a range of stakeholders in the school. As last year please see a link to this years **Parent Questionnaire** <https://forms.gle/T1J2DK35XzCwPTA5A> which we would value you taking the time to complete.

Have a lovely weekend, take care

Mrs Smith, Headteacher

NO NUT PRODUCTS IN SCHOOL

Please could you ensure that no items that contain nuts are sent into school due to the fact we have children with serious nut allergies – this includes peanut butter, nuts as a snack and some breads may contain nuts too.

#Wakeupwednesday

This is an information page produced by National Online Safety about key reminders for parents relating to online safety.

This weeks theme:

Twitch

Parent forum minutes are now available on the website – keep an eye on the website and Facebook page as things are regularly added!

Teaching Assistant in KS1 – we have a vacancy for a full time TA in school for our Key Stage 1 team in September. For further details please visit our school website.

Lunchtime Supervisor - we also need a lunchtime supervisor- this is for every Monday – other hours may be available throughout the week too. An immediate start would be great although this also could begin in September.
