Dear Parents and Carers,

This week has certainly been lots of fun and children have really enjoyed **Art week**. The work on the jigsaw pieces on the school walls has been incredible. The children have had so many positive things to say whilst doing it and we have received lots of amazing feedback. The hugest of thanks to Lyndsay for all her outstanding work in this project. All children have also experienced **painting on canvas** this week. This is a different skill again for the children to have tried. The canvases will be available to see on Thursday 7th July in the hall and can be bought for £2. There are some amazing pieces of work, with everyone being an artist in their own right and each child's unique work is special. Lots of other artwork has taken place too over the week. **Worship** this week further explored different key inspirational people – Marcus Rashford, Greta Thunberg, Rosa Parks and Queen Esther from the Bible. The children have been really interested in the people we have been exploring and I also recapped what the definition of an inspirational person was this week. We also had the Book Look on Wednesday and Parent forum. The book look is certainly going to be continued next academic year. **Parent Forum** minutes will be out soon, but it was great once again to discuss a number of different areas including posing questions to Nicola Cooper who is our contact manager from Fresh Start and also we spent some time discussing behaviour in school. On Thursday some Year 3 and 4 children attended the **NOSSP Tri Golf Event** at Tadmerton Golf club. The children represented the school superbly, but the event finished a little earlier than expected due to rain! Thank you to the adults who supported this event including staff. Next week it is **Sports Day** on Thursday – children will complete a carousel of activities in teams which are linked to the Commonwealth. Today banners have been made! It is also Production season too and next week sees the **Year 5 and 6 perform Wind in the Willows** – school will watch the dress rehearsal and then they have three performances - Wednesday afternoon and Tuesday and Wednesday evening. Today you will receive a letter about **where staff are next year**. Next week with reports you will receive details of which class your child is in. It is right to assume however if your child is currently in an odd year you can work out who your child has already. If your child is in Reception or Year 2 then we have looked at the classes and the children have been reorganised into new groups for the next year. Year 4 will return to the two classes they were in previously. At this time of year, we like to reflect on the year gone and also think how we can move forward with a range of stakeholders in the school. As last year, please see a link to this year's **Parent Questionnaire** <https://forms.gle/T1J2DK35XzCwPTA5A> which we would value you taking the time to complete. This will close on Friday 8th July.

Have a lovely weekend, take care
