

Christopher Rawlins PTFA

Support the PTFA this year and win cash prizes

Just £12 for the whole year!

How does it work?

100 numbers are available to buy, you can choose one or be allocated one.

At the end of every half term a draw is made and 3 lucky numbers are randomly generated and the winners contacted. You don't need to do anything else!

The 100 Club is open to parents, staff and friends of our school (aged over 16).

How much does it cost?

Membership only costs £12 per number for the entire year.

50% of the funds raised are given back to you as cash prizes and the remaining 50% of the funds are made available for the school to spend.

What could you win?

For example, based on last year's figures with 67 numbers purchased:

1st Prize = £33 2nd Prize = £22 3rd Prize = £11

If more members take part the prize money will be EVEN BIGGER!!!

Interested?

This is a really simple but significant way to support the PTFA this year.

To take part all you need to do is complete the attached form, enclose your cash or cheque in an envelope and return to the School office.

You can also pay online this year using the following details Acc.No 52210510 / Sortcode 60-01-35 using the reference of your SURNAME/100 CLUB

THANK YOU AND GOOD LUCK
