Dear Parents and Carers,

Today we are having a super day so far enjoying our school jubilee celebrations. We began with the tree planting with thanks to Mrs Earl for her help in this followed by some country dancing from the recently formed club. Soon we are due to be enjoying our picnic lunch together and lots of activities have been completed throughout the morning. Governors have been around and presenting children with commemorative medallions kindly provided through the PTFA and village committee. This afternoon some rainbow artwork will be completed as part of a whole piece of artwork we are going to create. I will post some pictures onto the school's Facebook page of the events! All children have also completed a piece of artwork to be submitted into the village Jubilee Art competition. These will be judged by the village committee and then winners displayed at the village event on Saturday. All the Artwork is going to be displayed in the church from Sunday 5th June.

Worship this week further looked at perseverance and linking this to failure and how we can move forward to succeed. Reverend Liz also visited and spoke about the community of Iona the value Koinonia. Mrs Gosling and Miss Arthur also led an assembly on Ascension Day. This week I met the Parent Forum group, and we had some good conversations about many aspects of school life. Minutes will be available after half term on the website. There were some excellent entries in to the Sponsored PTFA 60 event – overleaf is the list of who did what – huge congratulations to all of them for their fabulous work. We said goodbye to Mrs Carr this week who is pursuing a job away from school but I am pleased to announce some new Support Staff joining us after Half term. Miss Lily Still will be working in KS1 and Mrs Hazel Price is joining UKS2. Mrs Dyer is moving from KS1 to join the LKS2 Team. In pupil news we welcomed Theo into Peacocks this week and I want also want to wish Billy a really successful recovery following his operation this week.

In Term 6 we have many planned events and I shall share the school diary again in the first week back. One event is Sports Day and children will be preparing for this as part of PE, as well as learning what is a traditional part of the day, a dance. Please make sure school PE kits and suitable footwear are in school all week. Also, with the warmer weather children must have a hat, as well as have plenty of water and bring sun screen if required. Next week is Half term, and then on the first Monday back it is an INSET Day. Staff will be in school completing some training and hopefully the playground lines will be done too.

Have a lovely half term week, take care

Mrs Smith, Headteacher

NO NUT PRODUCTS IN SCHOOL

Please could you ensure that no items that contain nuts are sent into school due to the fact we have children with serious nut allergies – this includes peanut butter, nuts as a snack and some breads may contain nuts too.

This weeks theme: Cross Platform Sharing

Following a discussion at [Parent Forum](#) I would like to introduce the idea of answering a question each week in the newsletter from parents where you learn in more detail about how some aspect of the school e.g. how the house point teams and systems work. If you would like to have question answered then please email in to reception@christopher-rawlins.oxon.sch.uk
