**27th January 2023**

Dear Parents and Carers,

The children showed real thought and consideration when we reviewed our lunchtimes this week during assembly. They talked positively about enjoying the additional responsibilities supporting the adults to organise games at lunchtime, making choices about how they are going to spend their lunchtimes and helping clear down the Hall at the end of lunchtimes. We will continue to review and work with our School Council over this term, reviewing and developing our lunchtimes.

Our School Improvement Advisor, Frances Bartlett, visited this week and we did a Learning Walk around the school focusing on learning behaviours and the learning environment. The children at Christopher Rawlins show real engagement with their learning in class; it was great to see our oldest children working independently and co-operatively to lead their own learning and our youngest children to show real enthusiasm for their learning in phonics. I particularly enjoyed learning all about "robot arms"!!

Have a restful weekend.

Mrs Murrey and the Christopher Rawlins team

## **Strikes 1st February**

As you will have seen from my letter earlier this week, **Woodpeckers, Parrots and Herons** will be closed on Wednesday 1st February due to teacher strike action. Please do not send your children to school on this day if they are in these classes.

## **Attendance**

If your child is unwell and absent from school please can you inform school by either ringing or emailing [reception@christopher-rawlins.oxon.sch.uk](mailto:reception@christopher-rawlins.oxon.sch.uk) with a reason as to why they are absent from school. Please see information attached for guidance about when you should keep your child off school.

## **Clubs**

All parents will have received a letter this week about the After School Clubs being offered by school staff. We really appreciate staff offering to run these Clubs after school, and fitting them in around their other school commitments such as staff meetings, team meetings and meetings they attend to support their own professional development.

## **LKS2 news**

Years 3 & 4 have been looking at the book Charlie and the Chocolate Factory and have been developing our writing skills and vocabulary. We have also included some drama in our work acting out scenes in the book. We have designed our own delicious chocolates after our tasting last week.

## **High Flyers**

This week we were celebrating the beginning of the Chinese New Year; the children really enjoy getting crafty and have made some beautiful decorative lanterns. High Flyers provides a creative environment for children, to be free to create their own masterpieces too. Wednesday we celebrated Burns Night, by painting Celtic artwork and playing outside in the cold Scottish like weather.

Funny quote from this week 'I LOVE Becca's pasta'; our 'High Flyers of the week' this week is Darcie P.

We are running a holiday club on **Monday the 13th of February**, time: 9.00-4.00PM. during the February half term. This will be an exciting day full of play and activities.

Easter Club will be 3 & 4 April, and we have dates at the start of the summer holidays. You can book through our website : <https://www.highflyers.org.uk>

### Mr Green's Charity Fun Run

My brother and I are currently training for a half marathon on the 21<sup>st</sup> May 2023. We have decided to run in memory of our Grandad who we lost just before Christmas and have created a Just Giving page for any donations to Mind - a charity that means a lot to Jamie and I as they supported Grandad during his later years with his mental health. We would like to say thank you and show our appreciation in advance for any donation that you can make.
