

KSI HOMEWORK GRID - AUTUMN

Please choose 3 tasks from the grid below to complete over the course of this term. You can complete a maximum of one task per week. These can be brought in fortnightly, on Wednesday, to share with the class. Your teacher will let you know which week this will be.

Bake your own bread that could have been made in Pudding Lane.	Using junk and other recyclable materials, create your own model of a building in 'The Great Fire of London.'	To research and create a fact file comparing London in the past with the present.
Design and make a firework picture.	Write a diary entry imagining you are Samuel Pepys experiencing 'The Great Fire of London.'	Go for a walk around your local area. Create a tally chart or list for all the Autumn things you see.
Create a poster for the classroom on how to be safe when you hear a fire alarm/drill.	Create a model of a fire engine from the past. How is it different from the present?	Research a job and create a fact file talking about the similarities and differences from it done in the past with the present.
